**Notice of Lodging of Consent Decree Pursuant to the Clean Water Act**

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a consent decree was lodged in *United States v. Acadiana Treatment Systems, Inc.*, Civil Action No. 6:98CV0687 (W.D. La.), on July 24, 1998, with the United States District Court for the Western District of Louisiana.

Johnson Properties, Inc. and its subsidiaries own and operate more than 170 sewage treatment plants located throughout the state of Louisiana. The United States' Complaint was brought pursuant to Section 309(b), of the Clean Water Act, 33 U.S.C. 1319(b), for injunctive relief and civil penalties for discharge of pollutants into the navigable waters of the United States in violation of Section 301 of the Clean Water Act, 33 U.S.C. 1311, and for violations of certain terms, conditions and limitations of National Pollutant Discharge Elimination System (NPDES) permits issued to Defendants pursuant to Section 402 of the Clean Water Act, 33 U.S.C. 1342. The United States filed an Amended Complaint and a Second Amended Complaint to include all of the subsidiaries of Johnson Properties, Inc., Glenn K. Johnson, and Darren K. Johnson as defendants in this action. The Louisiana Department of Environmental Quality (LDEQ) filed a Complaint in Intervention as a plaintiff in these proceedings.

The United States and LDEQ have entered into a consent decree with the defendants in this action that resolves the claims for injunctive relief asserted by the United States and LDEQ against the defendants. Under the Consent Decree the defendants must implement specific compliance measures at all the sewage treatment plants that they own and operate in Louisiana. The consent decree also provides that the defendants must hire an environmental auditor to assess and monitor compliance at the sewage treatment plants for a period of five years. The consent decree does not settle the penalties portion of the case, and it expressly reserves to the United States and to LDEQ the right to seek civil penalties for the violations alleged in the second amended complaint at any time in the future.

The Department of Justice will receive, for a period of 30 days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources

Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Acadiana Treatment Systems, Inc.*, DOJ Ref. #90-5-1-1-4375.
